

Information

Interturbine Logistik GmbH becomes Interturbine Aviation Logistics GmbH

Dear valued customer,

We have the pleasure to inform you that – with effect from 1 October 2009 – we have changed our company name Interturbine Logistik GmbH to

Interturbine Aviation Logistics GmbH.

The new name was chosen in order to distinguish ourselves from an ordinary forwarding company and to reflect the nature of our business of being an approved supplier of ‘CES’ materials such as standard hardware, raw and semi-finished materials, consumables, chemicals and composites to the aerospace and high-tech industries, MRO’s and airlines, consolidating more than 500,000 part numbers from more than 2,500 sources. As you know our innovative material service concept provides a ONE STOP SOURCE for immediate supply on call.

The address, phone and fax numbers, bank details, VAT and / or Tax Identification Number etc. remain the same. Please only change the name Interturbine Logistik GmbH to Interturbine Aviation Logistics GmbH in your database to avoid confusion.

You are kindly requested to address all orders after 01 October 2009 to Interturbine Aviation Logistics GmbH. Thank you very much.

If you have any questions regarding the name change please do not hesitate to contact us.

We - of course - will continue to serve you with the same devotion and quality which you have come to expect from us. It will be a pleasure to do business with you in the future.

Sincerely,

Interturbine Aviation Logistics GmbH

Burckhard Schneider
President & CEO
